PONT DE ZAEHRINGEN **FRIBOURG**

UN PONT... D'UNE RIVE A L'AUTRE.

FRIBOURG - PONT SUSPENDU

FRIBOURG - PONT DE ZAEHRINGEN

variantes projet de reconstruction du pont de Zaehringen

FRIBOURG - PONT DE ZAEHRINGEN

Extrait de " A BOUT DE SOUFFLE !" par Vincent Mangeat

A ce titre, quand on intervient dans/sur un bâtiment c'est en quelque sorte un « acte chirurgical ». On intervient sur un corps vivant qui veut continuer sa vie. Aussi longtemps qu'au motif de le transformer, on n'en détruit pas la substance. Aussi longtemps que le pronostic vital n'est pas engagé.
